

Electives

In addition to the core academic classes, electives are offered throughout the year. Students may select different electives every quarter:

6th Grade students – 1 twice-per-week elective

7th-8th Grade Students – 2 twice-per-week electives

Spanish Basics – Learn basic Spanish words and pronunciation.

The Arts: Cinema Studies – Explore various topics, such as space, historical events, and more through the medium of cinema

JH Praise Band – If you play an instrument or sing, tryout to lead praise & worship for Junior High chapels.

6th-8th Grade Choir – Do you enjoy singing and learning about music? Join our choir under the direction of Ms. Zerillo.

Student Council – Calling all leaders and volunteers to serve our SCS community.

Math Helps – Math teachers are available to assist you in completing your math work.

Yearbook – Be an active part of SCS history as you help create the yearbook.

Instrument Practice – If you are already in band, you may use this time to practice your instrument.

Study Hall – Need more time to do your homework? Sign up for Study Hall.

STEM – Science, Technology, Engineering, and Math are integrated with hands-on opportunities.

Robotics – Learn to build and write code for your Lego Mindstorms robot.

Art – Besides learning art history, create with various art techniques and mediums.

News & Publishing – Learn how to gather facts and report on current events.

Teacher's Assistant – Interested in helping a teacher with her many tasks? This elective is for you!

Keyboarding – If you need to develop your typing skills, sign up for this class.

Drama – If you like being onstage or hone your acting skills, Drama class might be the place for you.

Enrichment

In addition to electives, students rotate quarterly through various enrichment classes:

6th Grade Students – Computer Coding, Literature and Vocab, Reading Comprehension, and Spanish

7th-8th Grade Students – Computer Coding, Reading Comprehension, and Biblical Worldview classes

PE & Computer Skills

6th-8th Grade students participate in PE 2x per week and Computer Skills 1x per week
